

New Wortley Community Writing Workshops

Bringing the community together to create a mural celebrating and sharing stories of the history and life in our area

Saturday 19 March 11am-1pm

AND/OR

Thursday 31 March 7pm-9pm

Training Room, NW Community Centre

These workshops will encourage participants to share their knowledge of local history, including anecdotal events that have become part of the area's story.

The aim of the workshops is to generate a range of new narratives that will tell the history of New Wortley and will go on to be used by a graphic designer to create a mural for the walls of the top floor in the new community centre.

The workshops will be run by a professional writer who will lead sessions on community history and creative writing.

ADVANCE BOOKING REQUIRED – only 12 spaces per workshop.
