Have Your Say on the future of New Wortley

New Wortley Community Association is starting an exciting new project to build new houses in New Wortley. The houses will be built and owned by the Association and rented out as affordable homes.

Exhibition of Ideas for New Wortley Landscape & new housing

27 Feb – 3 March 2018

We have been consulting with lots of local people about how New Wortley could make better use of the green space on the estate and how new affordable housing could look.

We want to share the ideas and plans drawn up by Leeds Beckett University School of Architecture and Design with everyone – so we are holding a travelling exhibition to show of the work and get comments and thoughts from people who live locally.
